747 MIRAGE

***DESIGN
ICON***

747 MIRAGE

A new dimension for luxurious sports day cruisers.

The design of the 747 Mirage is radical: it emphasizes the roots in racing and at the same time it reminds of the construction of a premium sports car. While the exterior shows an uncompromising focus on dynamics, the cockpit is a revelation in diversity. The 747 Mirage has already shown it's status as a design icon in several Hollywood productions.

Length **7,47 m** / 24,51 ft

Beam **2,49 m** / 8,17 ft

Engine **350 HP**

Weight **from 1.800 kg**
/ 4.000 lbs

Fuel **240 l** / 63 gal

Max. persons **C6**

747 MIRAGE AIR

MYSTERIOUS AURA

747 MIRAGE AIR

747 MIRAGE AIR

The Frauscher 747 Mirage Air – A day cruiser for unforgettable hours.

Derived from the closed bow 747 Mirage, the 747 Mirage Air is a very beautiful center console boat with breathtaking style. The extraordinary design also delights customers with lots of space, perfect fit & finish and a very flexible layout: from a sun lounge to a shaded seating area in seconds. Combined with the stepped hull design which promises exhilarating driving capabilities and extremely high cornering speeds.

Length **7,47 m** / 24,51 ft

Beam **2,49 m** / 8,17 ft

Engine **350 HP**

Weight **from 1.900 kg**
/ 4.200 lbs

Fuel **240 l** / 63 gal

Max. persons **C8**

858 FANTOM

***NO FATA
MORGANA***

858 FANTOM

A day cruiser for the most demanding passengers.

The Frauscher 858 Fantom is a revolutionary 8.6 metre day cruiser with an inspiring design. With a host of on-board comforts, excellent workmanship and superb performance, the Frauscher 858 Fantom will satisfy even the most discerning passengers. A pleasure to handle and revolutionary in design.

Length **8,67 m / 28,44 ft**

Beam **2,49 m / 8,17 ft**

Engine **320 – 430 HP**

Weight **from 2.500 kg**
/ 5.500 lbs

Fuel **370 l / 98 gal**

Max. persons **C7**

858 FANTOM AIR

***REVOLU-
TIONARY***

858 FANTOM AIR

858 FANTOM AIR

This 8.6 metre power boat combines the premium design and top-class handling characteristics of the closed bow model, the legendary Frauscher 858 Fantom – with an even more spacious layout and additional details.

The 858 Fantom Air welcomes its guests with an exquisite teak bathing platform in the stern, which is adjoined by a spacious and comfortably upholstered lounge area for two. A generous teak walkthrough connects the aft area to the main cockpit and the centred helm console, from which the Frauscher 858 Fantom Air gets its name. Two padded seats at the bow will provide some additional comfort.

Length **8,67 m / 28,44 ft**

Beam **2,49 m / 8,17 ft**

Engine **320 – 430 HP**

Weight **from 2.500 kg**
/ 5.500 lbs

Fuel **370 l / 98 gal**

Max. persons **C9**

***The 858 Fantom Air is yet another
model that is ideal for a quiet
picnic in the bay or for an adven-
turous sprint through the waves.***

says Michael Frauscher

2017

1017 GT

EVOLUTION OF AN ICON

1017 GT

DESIGN INNOVATION AWARD

The award-winning Gentlemen's racer is the core of the Frauscher brand and offers everything that is required for a full day of fun on the water: style, performance, durability and ease of use.

With top speed of up to 60 knots, a dry and comfortable deep V-hull (even in rougher conditions) as well as large sunpads and seating lounge, a fully equipped cabin and bed for two, the 1017 GT is the perfect boat for every occasion.

With over 130 units already sold all over the globe, the 1017 GT is well ahead of its peers.

Length	10,30 m / 33,79 ft
Beam	2,99 m / 9,81 ft
Engine	2x 320 – 2x 430 HP
Weight	from 3.900 kg / 8.600 lbs
Fuel	520 l / 137 gal
Max. persons	B8

1017 GT AIR

***UNIQUE AND
ELEGANT***

1017 GT AIR

1017 GT AIR

The 1017 GT Air is a joy to handle and offers maximum comfort with all her functional fittings. The 1017 GT Air has charms of her own, offering the perfect blend of comfort and performance.

“In developing the 1017 GT Air, our main goal was to improve the feeling of space on board: the centred helm, the extended benches and innovative storage solutions create a completely new feeling of freedom of movement over a length of 10 metres. Another priority was the dynamisation of the design language. In this regard we succeeded perfectly with the spherical wind-shield and the impressive ambient lighting”, explains Michael Frauscher.

Length	10,30 m / 33,79 ft
Beam	2,92 m / 9,58 ft
Engine	2x 320 – 2x 430 HP
Weight	from 3.900 kg / 8.600 lbs
Fuel	520 l / 137 gal
Max. persons	C10

1212 GHOST

(R)EVOLUTION

1212 GHOST

1212 GHOST

Ghost stories usually come from imagination. And this is also the case with the 1212 Ghost, where the allure of the unknown has fired the imagination of the Frauscher Shipyard development team.

The glamour of a sports car paired with the understatement of a luxury saloon, unobtrusive and yet eye-catching – this is probably the best way to describe the design of the 1212 Ghost. The large teak deck acknowledges our indebtedness to classic boat building while the threedimensional, lateral air intake emphasises the characteristic side line and, at the front, the vertical stem rises above the bow wave. The 1212 Ghost embodies the essence of the Frauscher DNA.

Length	11,99 m / 39,34 ft
Beam	3,50 m / 11,48 ft
Engine	2x 430 – 2x 440 HP
Weight	from 8.000 kg / 17.700 lbs
Fuel	900 l / 238 gal
Max. persons	B10

***The Frauscher 1212 Ghost was
the product of years of develop-
ment and encompasses many
features from our existing range.***

says Stefan Frauscher

1212 GHOST

1212 GHOST AIR

***ENDLESS
FUN***

1212 GHOST AIR

1212 GHOST AIR

With the 1212 Ghost Air, Frauscher is reinterpreting the classic walk-around concept with a centre steering position. Design, performance and workmanship continue to bear the well-known Frauscher signature. The 1212 Ghost Air visibly continues the design language of its closed sister model. She consistently follows the philosophy of the Air series: the combination of dynamics and emotion with a generous amount of space on deck.

Arriving at the side outdoor kitchen with fridge, sink and grill, the view merges seamlessly into the generous seating and lounging landscape. Here, the spirit of the Air models were captured. The height-adjustable table, for example, transforms the seating area into an inviting reclining surface in no time.

Length	11,90 m / 39,04 ft
Beam	3,50 m / 11,48 ft
Engine	2x 430 – 2x 440 HP
Weight	from 8.000 kg / 17.700 lbs
Fuel	900 l / 238 gal
Max. persons	B12

***Wherever the Frauscher 1212
Ghost Air appears, it turns
heads with its synthesis of
dynamics, emotion and space.***

says Stefan Frauscher

1414 DEMON

***ARE YOU
READY
FOR YOUR
DEMON?***

1414 DEMON

The Frauscher 1414 Demon raises the Frauscher feeling to the next level!

The 1414 Demon combines the key Frauscher design DNA: flat bow with vertical stem, tinted and frameless windshield, air inlets in carbon; with a unique sporty feeling at the helm for a boat that size. The 1414 Demon provides lots of living space: a relaxing lounge atmosphere with a large bathing platform, a well garnished outdoor galley, an uniquely designed interior with enough headroom, a spacious bathroom, a kitchenette, a large seating area and a sleeping accommodation up to four people.

Length **13,91 m** / 45,64 ft

Beam **3,90 m** / 12,79 ft

Engine **2x 440 HP**

Weight **from 10.000 kg**
/ 22.000 lbs

Fuel **1.200 l** / 317 gal

Max. persons **B12 (sleeps 4)**

***In the design of the Frauscher
1414 Demon, the lifestyle design
idiom was applied in a masterly
fashion to the theme of the yacht.***

1414 DEMON

1414 DEMON AIR

***ELEGANCE
HAS A NAME***

1414 DEMON AIR

The silhouette of the Frauscher 1414 Demon Air expands the typical design notes of the Frauscher Shipyard.

With the freestanding centre helm the Air variant offers more space and comfort than any other Frauscher boat. On deck, the 14 metre long offshorer has a welcoming lounge area with a bar and a spacious bathing platform. Inside you will find a large bathroom and 2 sleeping areas that can accommodate up to four guests. These features turn the 1414 Demon Air into a highly functional Gentlemen's Racer for both, daily and overnight trips.

Length **13,91 m** / 45,64 ft

Beam **3,90 m** / 12,79 ft

Engine **2x 440 HP**

/ 19.900 lbs

Fuel **1.200 l** / 317 gal

Max. persons **B12 (sleeps 4)**

***An important criterion for the
category Best for Fun is that
a boat offers enough space for
joint activities with friends.***

says juror Arek Rejs

1414 DEMON AIR

THE FRAUSCHER HISTORY

When Engelbert Frauscher founded a boat building company in Vienna in 1927, he probably never would have dreamed that Frauscher would be setting standards for international boat building more than 90 years later.

Engelbert Frauscher was born in 1903 in Aspach, in Upper Austria. After his carpentry apprenticeship and first experiences in boat building he took over a “boat building shop” at the Old Danube, Vienna in 1927. With his manual skills he successfully built rowing boats and sailing boats, but in 1944, the Old Danube shop in Vienna was heavily damaged in an air raid.

After the war, Engelbert Frauscher left the shipyards grounds on the Old Danube, and shortly after, a position opened for a boat builder in Gmunden, which was back then the location of the American command headquarters. This job did set the foundation for the now successful and international shipyard. Especially, after the children of Engelbert, Ernst and Hans, joined the company, and continued to nourish the company with new ideas the potential of the shipyard was not deniable anymore.

This was further proven in 2012, by not only building the new modern shipyard in Ohlsdorf, Upper Austria, but also by the opening of the sales location in Port Adriano, Mallorca. Seven years later, another subsidiary was opened in Port Grimaud, France, followed by founding Frauscher USA in Miami, Florida in 2020. In addition, as of 2025, a new office will also be available in Puerto Portals, Spain.

ELECTRIC BOATS

610 SAN REMO

***LEAN AND
NIMBLE***

610 SAN REMO

610 SAN REMO

The compact electric boat for the whole family.

The 610 San Remo offers all the benefits of a large electric boat – lots of space for passengers with a large sundeck and bathing platform – but, slim and compact, the 610 San Remo fits every berth and the narrowest of boathouses. Clever details like the easy-to-operate bimini top are just one reason why this is a great choice for relaxed family and group excursions. The perfect combination of versatility, comfort and compact design will suit the most demanding owners. The 610 San Remo is the smallest model in the Frauscher electric boat range.

Length **6,10 m / 20,01 ft**

Beam **1,80 m / 5,90 ft**

Engine **4,3 – 15 kW**

Battery **12 – 24 kWh**

Weight **from 750 kg**
/ 1.700 lbs

Max. persons **D5**

650 ALASSIO

***THE GOLD
STANDARD
OF ELECTRIC
BOATS***

650 ALASSIO

650 ALASSIO

A great package for guaranteed comfort and a superior ride.

This electric boat has everything you need for an unforgettable day on the water: the typical sleek, simple Frauscher design with clear lines, a well conceived space concept, clever features and easy handling. With over 300 boats sold since its launch the 650 Alassio is the most sold electric boat in Europe and offers the perfect blend of size, features, performance and quality.

Length **6,50 m / 21,32 ft**

Beam **2,17 m / 7,12 ft**

Engine **4,3 – 50 kW**

Battery **12 – 48 kWh**

Weight **from 950 kg**
/ 2.100 lbs

Max. persons **D6**

740 MIRAGE

***NO
COMPROMISE***

740 MIRAGE

740 MIRAGE

The name “Mirage” refers to an optical phenomenon, as well as high-performance aircraft, giving the boat an aura of mystery.

The cockpit area features an L-shaped bench with two foldable backrests. The co-pilot's seat backrest can be folded to create a sheltered chaise longue and by flipping down the main backrest the sunbed can be enlarged as well. The big cushion in the cabin can also be fastened on the front outside deck to create an additional sunbathing area. Numerous options including a bluetooth equipped audio system, fridge and bimini top create a boat that is much more versatile than the breathtaking, minimal design initially suggests.

Length **7,47 m** / 24,51 ft

Beam **2,50 m** / 8,20 ft

Engine **50 – 137 kW**

Battery **48 – 63 kWh**

Weight **from 2.000 kg**
/ 4.410 lbs

Max. persons **C6**

740 MIRAGE AIR

***WITHOUT
COMPROMISE.

740 MIRAGE AIR

740 MIRAGE AIR

The 740 Mirage Air delights with lots of space, perfect fit & finish and a flexible layout.

Derived from the closed bow 740 Mirage the 740 Mirage Air is the most beautiful center console electric boat on the market with breathtaking style and design. The Air variant delights customers with lots of space for family and friends. The variable cockpit allows a generous sunpad, comfortable seating with table and an easy-to-use sunshade. A perfect day cruiser for every occasion.

Length **7,47 m / 24,51 ft**

Beam **2,50 m / 8,20 ft**

Engine **50 – 137 kW**

Battery **48 – 63 kWh**

Weight **from 2.000 kg**
/ 4.200 lbs

Max. persons **C7**

TIMESQUARE 20

***FREEDOM
NEWLY
E-VOLVED***

The TimeSquare 20 is a two-hull electric boat that has been designed and constructed from the perspective of customer requirements and their habits of use.

The drive technology was chosen to make the boat extremely manoeuvrable and quiet. "With the TimeSquare 20, electric boating is redefined – excellent driving characteristics with low energy consumption. A retreat, so to speak, on the water with all the comforts you could wish for in a boat," says managing director Stefan Frauscher, explaining the concept.

Why does Frauscher call this model TimeSquare 20?

The innovative hull shape creates a large, accessible area on deck – the area where people like to spend time. The 20 stands for the usable area – the TimeSquare 20 owner has 20 square meters of space at his personal disposal.

Length	8,30 m / 27,23 ft
Beam	2,50 m / 8,20 ft
Engine	2x 3 – 2x 12 kW
Battery	7 – 30 kWh
Weight	from 1.150 kg / 2.500 lbs
Max. persons	C7
